

University of New Mexico System COVID-19 Health and Safety Procedures

In response to the COVID-19 pandemic and The University of New Mexico's Bring Back the Pack, <https://bringbackthepack.unm.edu/protecting-the-pack/vaccination-testing-and-masking-requirements.html>. The University of New Mexico ("UNM") has modified normal campus operating procedures to protect the health and safety of the UNM's community. In accordance with Contractor's agreement to perform services in compliance with applicable law and UNM policies and procedures, Contractor shall comply with the following requirements, as implemented and directed by UNM, when present, entering or performing services on UNM's campus:

1. **Compliance with Federal Guidelines Concerning Continued Operations on Campus.** The U.S. Centers for Disease Control and Prevention ("CDC") has provided guidance concerning prevention measures to be implemented in light of the COVID-19 pandemic. UNM requires Contractor to comply with all guidance set forth by the CDC and state, including but not limited to social distancing, screening measures, hygiene practices, provision of personal protective equipment for all Contractor personnel on UNM's campus, and education of all Contractor personnel regarding CDC and state guidance on prevention and compliance.

Contractor is responsible for its personnel's compliance with CDC and state guidelines, including but not limited to temperature screening and provision of personal protective equipment. UNM may but shall not be responsible for providing any equipment necessary for compliance or for any in-person screening necessary to comply with applicable CDC guidelines. Contractor shall ensure current compliance with CDC guidelines and maintain compliance if such guidelines are updated.

2. **Compliance with Further Guidelines.** Due to the changing nature of the COVID-19 pandemic, Contractor will monitor and comply with further CDC and other federal, state, and local guidance; modifications to UNM operating procedures; and directives of UNM relating to protection of the health and safety of UNM's community.
