1. American Recovery and Reinvestment Act of 2009.

This Purchase Order is funded pursuant to the American Recovery and Reinvestment Act (“ARRA”). As a condition of the funding, the federal government requires certain reports regarding the use of the funds. The responsibility for providing such reports may be delegated by the recipients to the sub-recipients of the awards. As such, UNM hereby delegates reporting responsibility to Contractor, and this Purchase Order is made on the condition that Contractor agrees to abide by all requirements of ARRA, including the reporting requirements for sub-recipients. Receipt of funds by Contractor under this Purchase Order is contingent upon Contractor’s compliance with those reporting requirements. The reporting requirements include, but are not necessarily limited to, the following, as applicable:

- a) Contractor shall acquire or update their DUNS number and register with the Central Contractor Registration, if applicable;
- b) Contractor shall report the total amount of ARRA funds received pursuant to this Purchase Order;
- c) Contractor shall report the amount of funds received that were expended or obligated to projects or activities, including unobligated balances to facilitate reconciliations.
